Mission India
“Why India?”

One-fourth of the world’s 1.6 billion unreached people live in India. That amounts to 412 million people who have never heard the Gospel-not even once. Traditional Western missionaries are no longer allowed in the country. Now India’s own Christians have assumed the responsibility for mission work in their nation. The Gospel is spreading rapidly, despite persecution, the dominance of the Hindu religion in politics, and India’s lingering caste system. We here at Grace on September 9th will begin the *Multiplication Plan Project*. Everyone 10 or older can participate and will be given a \$10 bill, you will then be challenged to multiply this \$10 over the next 3 months. Some projects you might want to consider are baby sitting, yard work, cookie sale, car washing, or any craft project you like doing. Put your thinking caps on and get ready to multiply your \$10.
