Mission India

India's children make up one of the largest, unreached, responsive "people groups" in the world. Half of India's one billion people are under 20 years old—together they number more than the total population of the USA.
 Children's Bible Clubs, sponsored by Mission India, are changing the lives of these hard-pressed children. Last year, more than 1.6 million children and parents became new or renewed disciples, as a result of Children's Bible Clubs. Hundreds of thousands of these little believers are attending ongoing follow-up clubs that our teachers organize for Bible study, prayer, games and tutoring.
