Mission India—”Launch Sunday”

Today the \$10 bills will be handed out! Mission India is providing \$10 bills for people in our congregation who are willing to move out in faith and “grow” the money for the Lord. During the next 12 weeks of this Multiplication Plan Project, participants will prayerfully invest this money for the Lord and trust Him to provide a return. Mission India tells us that others who have done this project have not only learned valuable spiritual lessons and have helped bring the Gospel to India, but they have had fun doing it! With the \$10 bill, participants will receive a special envelope in which you may return the proceeds three months from now. Also, all of us will receive a little sheet called “What is a Multiplication Plan Project?” that contains more information about our project.
